5 Bedroom, 5.50 Bathroom, 2,934 sqft

Single Family on 0.00 Acres

McKernan, Edmonton, AB

Self contained laneway suite and a triple garage. This two story infill was perfectly designed for your family or as an investment property. With a beautifully designed finished basement, complete with wet bar, wine room, 4 piece bathroom, two extra bedrooms, recreation/media room, this home could easily host amazing parties, or be turned into three rental suites with its separate entrance, if so desired. The main floor boasts a large den and living room, highlighted by a 7 ft modern fireplace. The kitchen has a large island with granite countertops, an induction countertop stove, a Bosch duo-oven Combo with Microwave. Upstairs you have a huge primary bedroom with massive walk in closet and two other bedrooms, all with their own separate ensuites with granite countertops. Air conditioned, fully landscaped, and a south facing backyard with large covered deck, as well as a fire pit, complete this perfect home. Permitted garage suite can be rented out, making this the most affordable million dollar home.
