Bungalows aren't all created equal. This one has been cared for with pride, updated with purpose, and it shows the second you step inside! The vaulted ceilings and stone-faced fireplace in the living room create a warm, welcoming focal point. The renovated kitchen offers granite counters, quality cabinetry, and an easy flow into the dining space, while gleaming hardwood floors accent the living and dining areas. The primary bedroom includes its own ensuite, complemented by two additional bedrooms and a beautifully updated main bath.

Downstairs, discover a full in-law suite with a second kitchen, spacious living room with gas fireplace, large bedroom, and full bath—ideal for family or guests. Outside, enjoy the landscaped yard with planter boxes, shed, and standout curb appeal, plus an oversized (23'5 x 25'4) heated double garage. This bungalow blends comfort, function, and style in every detail! *some photos have been virtually staged*
